

# *How to Change a Lightbulb*

## Revelation 2-3

Big Idea: Keep the light shining wherever God has placed you. Be faithful in sound doctrine, repentance, and fellowship. The church pushes back against darkness in society. Don't be lukewarm - stay hot or cold for Christ. Let your light shine until Jesus returns!

Day 1: Keeping Your  
First Love

Reading:  
Revelation 2:1-7

---

The church in Ephesus was commended for many things, but they had lost their first love. How easy it is for us to become so caught up in doing good works that we forget the most important thing - our love for Jesus. Today, reflect on your relationship with Christ. Has your love grown cold? Have you replaced intimacy with activity? Take time to rekindle that first love, remembering the joy of your salvation and the wonder of God's grace. Pray for a renewed passion for Jesus and ask Him to help you prioritize your relationship with Him above all else.

Day 2: Faithful in  
Suffering

Reading:  
Revelation 2:8-11

---

The church in Smyrna was facing persecution, yet Jesus encouraged them to remain faithful. In our own lives, we may face various forms of suffering - physical, emotional, or spiritual. Remember that Jesus sees your struggles and is with you in the midst of them. He promises a crown of life to those who remain faithful. Today, consider any challenges you're facing. How can you demonstrate faithfulness in these circumstances? Ask God for strength and courage to stand firm in your faith, knowing that He is working all things for your good and His glory.

Day 3: Standing Firm  
in Sound Doctrine

Reading:  
Revelation 2:12-17

---

The church in Pergamum was warned about compromising with false teachings. In our world today, we're bombarded with messages that contradict God's truth. It's crucial that we hold fast to sound doctrine.

Spend time today examining your beliefs. Are they firmly rooted in Scripture? Are there areas where you've compromised with worldly thinking? Ask the Holy Spirit to guide you into all truth and to help you discern between right and wrong. Commit to regularly studying God's Word so that you can stand firm against false teachings.

Day 4: Overcoming  
Lukewarmness

Reading:  
Revelation 3:14-22

---

The Laodicean church was rebuked for being lukewarm - neither hot nor cold. This spiritual apathy is a danger we all face. It's easy to become complacent in our faith, going through the motions without true passion or commitment. Today, honestly assess your spiritual temperature. Are you on fire for God, or have you cooled off? Jesus stands at the door of our hearts, knocking and desiring intimate fellowship. Open your heart to Him anew today. Ask Him to reignite your passion for Him and to help you live with fervent faith.

Day 5: Being a Light in  
the Darkness

Reading:  
Matthew 5:14-16

---

Jesus called us to be the light of the world, a city on a hill that cannot be hidden. In a world often filled with darkness, we have the privilege and responsibility to shine brightly for Christ. This doesn't mean we have to be perfect, but it does mean we should live in a way that reflects God's love and truth. Today, consider how you can be a light in your specific circumstances. It might be through an act of kindness, speaking words of hope, or standing firm for truth in a loving way. Ask God to help you shine His light brightly, drawing others to the warmth and beauty of His love.
