Reaching Out

A real highlight in the past few weeks has been the growth and interest in the Thursday morning “craft and Cuppa” group (formerly, “Chill and Chat”). New people are showing up, and they are sharing their spiritual journeys. **Pray** for more conversations specifically about Jesus. Also, later today we are hosting a couple from Centre Wings, the Goldwing owners’ club. **Pray** for openings to talk about Jesus and our faith.

Local Church

The church meeting on January 22nd went in very different directions than what we anticipated, and digesting some of what was said has been very hard. **Pray** with us for God’s healing for some deep hurts, and for his direction in knowing what steps are next.

Training and Coaching

The past couple weeks have seen a lot of progress on cultural intelligence questionnaire prototype—which we hope to use in ministry and business contexts. (If you want to be a tester, let us know!) And by the end of the week, we will finish planning with partners in France, for more online training in coaching skills.

Family Front

In light of a possible transition with Tom’s mother—and our mothers’ upcoming birthdays—we are exploring the option of a short “leave” to focus on them. **Pray** for us as we explore possibilities and timing.

See the Welcome Center bulletin board for the full missionary prayer letters.
